ADOPTION APPLICATION

Thank you for your interest in adopting a companion animal from AFL. We applaud your decision to adopt, and we hope that we can make your experience a pleasant and successful one. The health and well-being of the animals in our care is our first priority, and we work with you to assure the best match for you and your family.

Because play is important to a kitten's quality of life, AFL will only adopt kittens out in pairs OR to a home with another young cat.

Your submission of this adoption form serves as your permission for us to contact the references included herein.

Fees:

We rely upon our adopters to be as generous as they are able to be. As a 501(c)3 (non-profit) organization, we depend solely on donations to provide our rescued animals with all needed veterinary care *which they have already received at the time of adoption*. This care includes rabies and FVRCP inoculations; testing for feline leukemia, feline immunodeficiency virus, and heartworm; plus any needed medical treatment for parasites, fleas, infections, etc. If mature enough, your adopted cat has also received expert spay or neuter surgery. Prior to adoption, AFL's average vet costs already incurred for each pet we rescue are \$200-\$300 and often more. This does not include any foster assistance provided for food, litter and other necessary supplies, or protracted treatment for any special problems, so your additional generosity is very much appreciated.

Companionship is important for pets, especially if they are at home alone for a few hours a day. If more than one animal is adopted, the additional pet's incremental minimum adoption fee will be \$50.

Interested in adoption of:

- 1 pet: \$100 minimum donation (for spayed/neutered pet or voucher)**
- 2 pets: \$150 minimum donation (for spayed/neutered pets or vouchers(s))**

I have reviewed this application and certify that the information I have provided is true and correct. I further agree that I have reviewed and will comply with Animal Friends of Lansdowne's adoption contract, to be signed upon finalization of my adoption.
